From the pages of *Lazarus Planet: Dark Fate*, a new Chinese hero emerges who’s able to travel to and from the Spirit World, the realm of the dead, and that of the living. Their name is Xanthe, and their superpower is being able to burn items folded from joss paper and immediately turn them into real objects, based on the East Asian practice of burning joss paper at graveyards in order to send resources to ancestors in the Spirit World...except Xanthe can retrieve those items in the world of the living! Their weapon of choice is a large broadsword (because who doesn’t love a big sword when you can choose to use a big sword?!).

Xanthe is a master of the dark arts who’s here to give Constantine a run for his money...literally. When Constantine shows up saying Xanthe scammed him into buying something, he finds them and Batgirl Cass Cain fighting an abnormal influx of jiangshi (Chinese hopping vampires) and joins in to help. But when a portal opens up that drags Batgirl into the Spirit World, it’s up to Xanthe and Constantine to travel to the land of the spirits to rescue her! Who knows what other spirits we’ll find in the Spirit World—like that skateboarding boy wearing hanfu with some headphones and a gaping hole in his chest?!

When middle-class Singaporean student Lu Zhao is invited to spend a summer on Long Island with his rich cousin, Tommy, before attending Columbia University in the fall, his assimilation into the opulent American lifestyle straps him into a collision course fueled by designer drugs, sex, deceit, and murder. Set in present-day Long Island, GATSBY reimagines F. Scott Fitzgerald's classic novel as an LGBTQ-tinged, multicultural thriller for the Internet age.

A THERE'S NOTHING THERE COMIC

From Maria Llovet (Faithless, Luna, LOUD) and Patrick Kindlon (Frontiersman, Antioch, Nobody Is In Control): Celebrity-socialite Reno Selleti doesn't believe in very much beyond Instagram comments, **hipster drugs, and the flash of paparazzi cameras, so when a friend invites her to an EYES WIDE** SHUT-type party she goes along mostly for the lulz. But the joke doesn't feel as funny when she realizes it's an actual occult ritual, and suddenly she's seeing things... horrifying apparitions trying to warn her. "RUN." That story concept launched Reno into 2017's beloved erotic-horror series THERE'S NOTHING THERE, and it also launched Maria Llovet and Patrick Kindlon into the American comics **market. Now, five years later, Llovet and Kindlon are returning to the world of THERE'S NOTHING** THERE with new collaborators Valentina Pinti (Buffy the Vampire Slayer), Simone Sellecchia, Andy Duggan (Star Wars), Jasmin Darnell (Godkiller), Kelsi Jo Silva (Thirsty), and variant cover magic-maker Leirix for DON'T AVERT YOUR EYES, a brand new story set in a strange world of high fashion, low morals, and demonic dementia. 18+ / Adults Only Limited to 1,000

Christopher Chance has made a living out of being a human target—a man hired to disguise himself as his client to invite would-be assassins to attempt his murder. He's had a remarkable career until his latest case protecting Lex Luthor, when things go sideways.

An assassination attempt Chance didn't see coming leaves him vulnerable and trying to solve his own murder, and he has twelve days to discover just who poisoned him. After discovering clues, the death of a Green Lantern, and a torrid romance with Tora Olafsdotter (a.k.a. Ice), DC's top bodyguard may meet his match when Beatriz da Costa (otherwise known as Fire) steps into his life. Only time will tell what secrets this flaming femme fatale might hold and just how badly the Human Target might get burned.
The Human Target is a hard-boiled, gritty story in the vein of classic detective noirs, told by bestselling and critically acclaimed creators Tom King and Greg Smallwood! Collects *The Human Target* #7-12.

TERRY AND THE PIRATES
1939 THE HYPNOTIC APRIL KANE

The saga continues in Terry and the Pirates Volume 5, reproduced from Milton Caniff's personal set of color syndicate tabloid proofs! In the heart of Indo-China Terry, Pat, Connie, and Big Stoop take the good (teenaged southern belle April Kane) with the bad (the twin villainy of Baron DePlexus and Sanjak). Later, back in Hong Kong, competition from young Deeth Crispin III forces Terry to take dancing lessons—from the Dragon Lady! When the dust settles the three kids are scooped up and held captive in an expansive net that also leaves Pat and the Dragon Lady in the clutches of Warlord Klang! Escape causes the heroes to scatter. Pat and April are snatched up by Cap'n Blaze and his daughter, Cheery—who really fails to live up to her name!—with the menace of Singh-Singh lurking in the wings...This tabloid-sized Volume 5 containing the 1939 dailies and Sundays is an unparalleled upgrade that no Terry fan can afford to pass up.

Wren Booker was three when she was found alone and covered in blood on the streets of New York. Since that day, she's been haunted by the childhood she can't remember… **until decades later when she finds a cryptic** website streaming multiple CCT feeds from strange rooms in a ruined building. Something clicks, setting off hidden memories that lead her back to a place she's seen in lifelong nightmares. Hunting for answers, **Wren breaks in and finds herself lost in the camera-filled dark mazes of a decayed** social experiment known only as BLINK… which she quickly discovers is not abandoned at all. But what should be a foreign nightmare-scape feels all too familiar for Wren as she follows her obsession all the way down, piecing together the story of BLINK—as well as her own ties to it. Eisner-nominated Christopher Sebela (Dirtbag **Rapture), Hayden Sherman (Dark Spaces: Wildfire), and Nick Filardi (Rogue Planet)** team up for a found-footage horror where uncovering your past will leave you trapped inside it.

Sisters Rainbow and Jonna are reeling after the events of the last volume. In the final arc of our incredible tale, we learn the origins of the strange creatures that have invaded the planet, draining it of resources—as well as that of fellow adventurers Gor and Nomi. What are the strange blooms underground, and how are they connected to the giant egg at the center of the vines? Who (or what) is behind all of this, and what does it want with their missing father? Why is everything so goopy? The two sisters have come so very far in their search for their father, only to be met with lots of questions...and, as always, giant monsters! With the fate of their family and possibly the whole world at stake, can Jonna and Rainbow rescue their dad, battle countless monsters, and tell each other how they really feel? The all ages hit comic by co-writer/artist Chris Samnee (Black Widow), co-writer Laura Samnee, colorist Matthew Wilson (Eternals), and letterer Crank! comes to an epic and heartwarming conclusion.

TIITU TAKALO

In Memento Mori, celebrated Finnish graphic novelist Tiitu Takalo chronicles her sudden, unexpected cerebral hemorrhage and the long road to recovery she had to travel. It is a dramatic story about a life turned upside down overnight: a ruptured cerebral aneurysm, the days and nights spent in an intensive care unit, and the long, painful recovery **that led the artist to reflect on her life both past and present. Much more than a story of survival, Memento Mori is** a philosophical and psychological journey told with exceptional honesty and compassion. A deeply moving and insightful graphic novel from a master of the medium that is also ultimately a celebration of life.

From the mind's eye of master storyteller Cullen Bunn (The Sixth Gun, Basilisk) and rising star Arjuna Susini (Made Men) comes a darkly glamorous tale of bone-splintering terror at the intersection of shadow and light... dream and nightmare ... life and the grim specter of Death himself. After weeks of grueling rehearsals, a new production is set to begin at the famed Requiem theatre: Razide's Lament, three acts of gothic horror set inside a haunted castle with a story that some say is more than mere fantasy. Under the stern rule of a dedicated but temperamental director, the script seems to be ever-changing, and, more mysterious still, our lead actress has found herself cast in the role of a lifetime without so much **as an audition. Her grand debut is fast approaching–and, with it, a barrage of razors in the** night that will terrorize audiences and actors alike. There is no exit, no escape, and when **the curtain finally rises, Razide himself will take center stage to cross the threshold into** the unholy darkness that lies just beyond...The exciting start to this 3 DOUBLE SIZED Issue Mini-Series
